The queen of Havana cigars. A very flavorful, spicy cigar with a very smooth, moderately dark wrapper. The Cohiba was created in 1961 by the then revolutionary leader Che Guevara and has been exported since 1981.

Cohiba Robusto € 35,90

Partagás

The Partagás cigars are among the Habanos with the widest variety of flavors. Partagás cigars are tasteful, very full-bodied cigars.

Their taste ranges from the "classic" (dense, concentrated and rich in tannins (like the Churchill de Luxe)) - depending on the taste-engaging cut - to exotic fruit expression and fascinating, concentrated aroma spice. Partagás cigars are always good for (positive) surprises.

Partagas Milles Fleurs € 14,90

Partagas IV € 21,90

Montecristo

The special feature of all Montecristo cigars is their strength. This cigar brand sometimes offers the strongest Cuban cigars that are produced. Montecristo is the brand that is most in demand worldwide. In 2000, about 25 million! Montecristos exported from Cuba all over the world.

Montecristo Nr. 5 € 16,90

Davidoff

Davidoff cigars meet the highest quality standards. The best soils and ideal climate produce the first-class tobacco leaves. The ripening process is in the best hands.
