CLOTHING:

We will make trips outdoors to enjoy the beautiful countryside - depending on the weather of course! Please make sure to **bring suitable clothing** (shoes, sun protection, clothing suitable to the weather, jacket, ...).

PRE-REGISTRATION:

To ensure a wonderful time together, we will be supervising only a **limited number of children**.

This makes it all the more important to **register your child** beforehand when making your room reservation or 5.00 pm the day before at the Children's farm directly. To optimise our planning, it is essential to know exactly **how long** your child is going to stay with us at the Children's farm. **Please note that supervision is only possible with advanced reservations!**

BEGINNING:

We kindly ask you to **personally bring your children to the crèche "Kinderstube"** at the hotel every day.

CHILDREN'S CRÈCHE (AGE 1-3):

Children will be cared for as part of the crèche by **appointment only** every day. Please note that, we can only supervise a limited number of children here too. **Please note that supervision is only possible with advanced reservations!**

1 - 3 years | 2.00 - 5.00 pm | in the morning only during holiday seasons

PARENTS AT THE CHILDREN'S FARM:

Parents are **not allowed to enter** the house of the Children's farm. Your children will be given a warm welcome at the "Kinderstube" nursery by one of our teachers. Parents are very welcome at the **Children's farm playground, at the stable and the "Kinderstube" nursery.**

SNACKS, LUNCH AND DINNER:

During day-care the children also get a **healthy snack**.

The **Children's lunch (for free as part of the day-care; from age 3 years)** will be served in our **hotel restaurant by pre-registration until 10.00 am only**. For registrations after the deadline, we charge € 8 for lunch. Please understand that, neither parents nor siblings who are not normally being cared for may be present. The registration for **Children's dinner (from age 3 years, for a fee)** and the evening supervision is necessary. The times for the **evening activities** can change between 7.30 p.m. and 8.00 p.m.

SAFETY AND FUN:

Our facilities are regularly **disinfected and aired**. Sanitisers will be provided. **If your child is sick**, we can not provide day-care at our Children's farm. Thank you for your understanding!
