Children's farm Guide

We are absolutely overjoyed that we can continue to be on hand for our youngest guests. In keeping with the great responsibility we feel, we will do everything we can to ensure that they are as safe as possible in every respect at all times and we look forward to spending a wonderful time together!

We have put together a guide so that we can safely enjoy each other's company at the children's farm:

CLOTHING:

We will make spur-of-the-moment trips outdoors to enjoy the beautiful countryside, depending on the weather of course! Please make sure to **bring suitable clothing**. (waterproof pants, rubber boots/ solid shoes,...)

PRE-REGISTRATION:

To ensure a wonderful time together, we will be supervising only a **limited number of children** from **9.30 am. to 5.00 pm.** (also in the evening at vacation seasons).

This makes it all the more important to **register your child** beforehand when making your room reservation or on the day itself at the Children's farm, in good time for the next day. To optimise our planning for you, it is essential to know exactly **how long** your child is going to stay with us at the Children's farm. **Please note that supervision is only possible with advanced reservations!**

BEGINNING OF THE OCCUPATION:

We kindly ask you to **personally bring** your children to the Children's farm every day.

CHILDREN'S CRÈCHE (AGE 1-3):

Children between **1 and 3 years** of age will be cared for as part of the crèche by **appointment only** every day from 2.00 p.m. to 5.00 p.m., also at the children's farm. Please note that, we can only supervise a limited number of children here too. **Please note that supervision is only possible with advanced reservations!**

PARENTS AT THE CHILDREN'S FARM:

Parents are **not allowed to enter** the house of the children's farm. Your children will be given a warm welcome in front of the Children's farm by one of our teachers. Parents are very welcome at the **Children's farm playground, at the stable and the "Kinderstube" crèche.**

LUNCH AND DINNER:

The Children's lunch and dinner will be served as usual in our **hotel restaurant** by **appointment only**. Please understand that, neither parents nor siblings who are not simultaneously being cared for may be present until further notice.

The registration for Children's dinner and evening supervision is necessary. The times for the **evening activities** can change between 7.30 p.m. and 8.00 p.m.

SAFETY AND FUN:

Our facilities are regularly **disinfected and aired**. Sanitiser will be provided.

If your parents are missing you too much, they can always reach us at any time at +43(0) 664 2150 967.

We look forward to seeing you!
