

We are absolutely overjoyed that we can take care for our youngest guests and look forward to spending a wonderful time together! We have put together a guide so that we can enjoy each other's company at the Children's farm:

CLOTHING

We will make trips outdoors to enjoy the beautiful countryside - depending on the weather of course! Please make sure to **bring suitable clothing** (shoes, sun protection, clothing suitable to the weather, jacket, ...)

PRE-REGISTRATION

To ensure a wonderful time together, we will be supervising only a limited number of children.
from 3 years | 9.30 am - 5.00 pm | in the evening only during holiday season

This makes it all the more important to **register your child beforehand** when making your room reservation or 5.00 pm the day before at the Children's farm directly. To optimise our planning, it is essential to know exactly how long your child is going to stay with us at the Children's farm. Please note that supervision is only possible with advanced reservations!

BEGINNING

We kindly ask you to personally **bring your children to the crèche "Kinderstube"** at the hotel every day.

CHILDREN'S CRÈCHE (AGE 1-3)

Children will be cared for as part of the crèche **by appointment only** every day. Please note that, we can only supervise a limited number of children here too. Please note that supervision is only possible with advanced reservations!

1 - 3 years | 2.00 - 5.00 pm | in the morning only during holiday seasons

PARENTS AT THE CHILDREN'S FARM

Parents are not allowed to enter the house of the Children's farm. Your children will be given a warm welcome at the "Kinderstube" nursery by one of our teachers. Parents are very welcome at the Children's farm playground, at the stable and the "Kinderstube" nursery.

SNACKS, LUNCH AND DINNER (from age 3 years)

During day-care the children also get a **healthy snack**.

The **Children's lunch** (for free as part of the day-care; from age 3 years) will be served in our hotel restaurant **by pre-registration until 10.00 am only**. For registrations after the deadline, we charge € 8 for lunch. Please understand that, neither parents nor siblings who are not normally being cared for may be present. The registration for Children's dinner (from age 3 years, for a fee) and the evening supervision is necessary. The times for the evening activities can change between 7.30 p.m. and 8.00 p.m.

SAFETY AND FUN

Our facilities are regularly disinfected and aired. Sanitisers will be provided. **If your child is sick, we can not provide day-care at our Children's farm.** Thank you for your understanding!

If your parents are missing you too much, they can always reach us at any time at +43(0) 664 2150 967.
We look forward to seeing you! - Your Children's farm team
